The Manager says, "Do you have any sales experience?" The kid says "Yeah. I was a vacuum salesman back in West Virginia."
Well, the boss was unsure, but he liked the kid and figured he'd give him a shot, so he hired and gave him the job.

So, you will start tomorrow. I'll come down after we close and see how you did. His first day on the job was rough, but he got through it. After the store was locked up, the boss came down to the sales floor.

How many customers bought something from you today? The kid frowns and looks at the floor and mutters, "Just One". The boss says "Just one? Our sales personnel average sales is 20 to 30 customers a day.

Definitely, that will have to change, if you'd like to continue your employment with us.

We have a strict standard for our sales team here in Florida. One sale a day might have been acceptable in Chicago, but not here.

The kid took his beating, but continued to look down at his shoes, so the boss felt kind of bad for chewing him out on his first day at work.

Then again, the boss asked (semi-sarcastically) So, how much was your one sale for? The kid responded, roughly around"$101,237.65" and stood up on his boss. The boss, astonished, says $101,237.65? What the heck did you sell? For that sum.

The kid says, well, at first, I sold him some new fish- hooks. Then, I sold him a new fishing rod to go with his new hooks.

Then, again I asked him where he was going fishing, and he said down the coast, so I told him he was going to be needing a boat, so I accompanied him down to the boat department and I sold him a twin engine Chris Craft.

Then he said he didn't think his Honda Civic would pull it, so I took him down to the automotive department and sold him that 4x4 Expedition."

The boss said "A guy came in here to buy a fish hook and you sold him a boat and a Truck and a Boat?" The kid said "No, the guy came in here to buy tampons for his wife, and I said, 'Dude, your weekend is fucked, perhaps you should go fishing.

So, the boy dutifully asked the flight attendant, 'If dogs have baby dogs and cats have baby cats, why don't planes have baby planes?'

The flight attendant responded, 'Did your mother tell you to ask me that?' The little boy admitted that she did.

The bar immediately falls absolutely silent. In a very deep, husky voice, the woman next to him says, Before you say that joke, Cowboy, I think it's only fair, given that you're blind, there's five things that you should know:

1. The bartender is a blonde girl with a baseball bat on her hands.
2. The bouncer is a blonde girl.
3. I'm a 6-foot tall, 175-pound blonde woman with a black belt in karate.
4. The woman sitting next to me is blonde and a professional weightlifter as well.
5. The lady to your right is blonde and a professional wrestler.

Now, think about it seriously, Mister. Do you still want to tell that joke?

Bartender: “Ah, you must be new here. It’s a challenge. If you put in fifty bucks, and then succeed at three tasks, you get all the money inside the jar.”
“Really? Man, what a tourist trap! Do people actually try that?”
“Damn. Still, that’s a lot of money. I got to ask, what are the three tasks?”
Bartender: “Well, first, you need to go over to the bouncer over there. Yeah, the tall, muscular guy.

And you got to knock him out in one punch.”
Bartender: “Yeah. Next, in the backyard we have this wild rottweiler.

Nasty dog. Rabid. And it has a bad tooth. We tried having the vet over, but he won't come anywhere near the beast. The task is to take out his bad tooth."
"Uh huh."
Bartender: "And finally, there's this lady upstairs. She owns the place. She's quite old. Around Sixty-five, or seventy. A Very nice lady. She lost her husband a decade ago and, well she's lonely. The task is to go see her and give her some.
The guy said, that is a heavy stuff, my friend. Wow. It's amazing that anyone thinks they can pull all this off. People these days. Anyway."

The guy drinks his beer, and then has another. And another. And another. Now quite inebriated, he punches the counter and yells, "Whatever man, I'll do your stupid
challenge!"

He throws in a $50 bill, goes to the bouncer, taps him on the shoulder, and WHAM! The bouncer is down in one punch. Everyone in the bar suddenly groups around the scene and starts cheering frantically.

The guy shouts, "Where's the damn dog at?", people push him to the backdoor, which he pushes. The crowd awaits, hearing nothing at first. Then, muffled screams, punches, scratches and howls coming from behind the door.

Finally, the door opens again, and the guy paces into the bar, slowly, his shirt ripped apart and stained with blood, breathing loudly.

Fortunately, a crocodile saw what was happening and swam over to the little lizard and helped him to the side.

The croc asked the little lizard, 'What's the matter with you?' The little lizard explained to the crocodile that he had been sitting with the koala in the tree, smoking a joint, but got too stoned and fell into the river while taking a drink.
